

Brad Emerson <longroping@msn.com>

Hello Gail!

Thank You for inquiring about the Pete R Class in Peetz, CO!

It is a 3 day class for \$200 plus Lunch for the 3 days, and then Morris Hartman is going to do a Radionic Soil Class the day before Pete's Class for \$ 80 plus lunch.

I am going to send you the Flyer with the info for the Class now.

Please let me know if I can answer any questions.

Have a Good Weekend!

Brad

Hello All,

Please see attached flyer **(Bottom of page)** for Pete's upcoming class in June.

Also, if you *don't* have an instrument for the class in June, Please let me know ASAP as we have some that you can use during the class and will be available for purchase. There is a limited amount.

Please contact the affiliated contacts in the information provided for more information on the upcoming classes.

Thank you,

Martina Chamberlain

... and much more! Question and answers. Hands on work.

You will leave this class having operated your radionics machine!

Peetz Community Center (526 Main St.) on June 10-12th, 2023.

Cost \$200.00

Start Time: 9:00 AM – 5:00 PM

Lunch will be provided all 3 days. As well as Coffee and water.

Bonus June 9 by Morris Hartman

Soil Class Cost \$80 Start Time: 9:00 AM – 5:00 PM

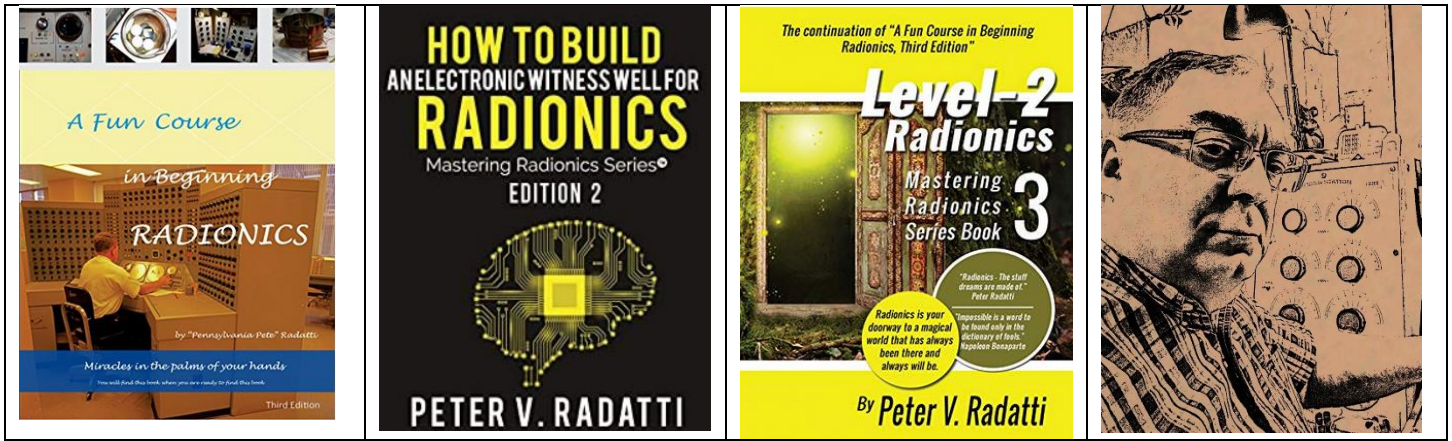

Using Radionics in Agriculture (soils, seeds, and animals) to balance/energize seed to the field for better germination, enhance the microbes of the soil for quick and healthy start of plant growth, and using Fertilizer rates to increase crop yields and decrease resistance to insects and disease. Morris will also be discussing different fertilizers, cover crops, and microbes to use as another means of helping your soils become more healthy. He is including in the class the Cosmiculture Book along with Radionic rate sheets and handouts. Morris is basing his knowledge off of Hieronymus's work, Arden Anderson, Bruce Tainio, KRT and others.

Lunch will be provided. As well as Coffee and water.
