

## Call for Sponsors for the USPA Free Online Masterclass Series – 40 Classes since 2019!

Why Does USPA need Sponsors? USPA traditionally held large in-person conferences. The fees collected at these conferences powered the work of USPA for the rest of the year.

Then ZOOM and its ilk came along just in time during the pandemic to offer our children ongoing education, music lovers access to symphonies, and friends and families the ability to keep in touch. So too, USPA crew learned new skills - to join the tech savvy of the 21st Century in order to bring you cutting edge science and preserve the continuity of USPA.

The USPA website has been refined and redesigned. The Members Only page has been expanded. Over 1400 USPA conference lectures were transferred to digital format, for ease of purchase, distribution and posterity.

The biggest project undertaken was the creation of an ongoing series of Free Masterclasses. As of January 2023, USPA has presented 41 of these classes.

The volunteers of USPA are happy to donate their time to bring these programs to you, but actual costs are increasing. Our Zoom membership fees and web fees are rising.

Yes, now we are asking for money. :) BUT – we’d like to do it in a win-win way. If your company sponsors one of our Masterclasses, we’ll give you advertising time online (recorded by you if you wish) before the class, mention in our email blasts and acknowledgement in the “Sponsors’ Spot” in our newsletters. Below are the tiers and terms of Sponsorship. (If you don’t use the company benefits, we will still mention you in our presentation and your support will be tax deductible.)

### Would You Consider Being a Sponsor for one of our Future Webinars?
